### **Hotel Rooms for DACOF 2022**

Greetings DACOF 2022 Teams, Attendees, Vendors and Spectators,

We have negotiated DACOF Group Room Rates with three hotels, all of which are new for our Organization this year. Two of the three hotels are very close to the Silver Spurs Arena, the third is a little farther away. Additionally, we have contacted East Lake ToHo RV Resort which is located 8 miles from Silver Spurs. They have RV Sites and a limited number of "Cottages" available. DACOF Group rates are available for the dates of Thursday, June 23 through Sunday, June 26, and can be extended up to three days prior or three days post our event. Once again, all three of the hotels are new this year. We politely ask that our Members leave a good impression on our Organization so that we may be welcomed back next year.

Please make sure to book rooms as part of the "DACOF Dog Agility Competition" so the discounted group rate is applied, and DACOF gets proper recognition for the booking. (Special Group Rates are offered based upon our participation which helps us negotiate rates each year)

Each DACOF Member desiring lodging is responsible for booking their own room and paying all fees. Some of the hotels have agreed to waive their dog fee but will charge if there is any room damage. We've expressed that our DACOF Members are all responsible dog owners and that our dogs are well mannered, well behaved, and will be properly curbed!!!

***\*\*Please remember if you have a great stay at the hotel and received good customer service, please go to <https://www.tripadvisor.com> and give them an excellent review. However, if you have a complaint, please express it with the Hotel Manager allowing them the ability to address the issue or email me. Posting negative comments or reviews to any social media or online platform before providing Hotel Management the opportunity to remedy issues can reflect poorly on our Organization making it very difficult (or impossible) to negotiate with these establishments in subsequent years.***

Last but not least, although this should go without saying,

**PLEASE BE SURE TO CLEAN UP AFTER OUR DOGS!!!**

Please book your rooms early and before the cutoff date of May 23, if you have any questions, please email me at:

Best Regards,

Tamara Aull
