

Hello DACOF Membership!

DACOF 2019 is "in the history books" and we really think it was one of our best events yet! The Board is diligently working to complete and publish the 2019 Survey so our Members can tell us what they think! We've already received many compliments on; the three wonderful Judges and their courses, the arena surface/footing, allowing a fourth Excellent/Master dog on each Team, how the "Large" and "Small" groups were split more evenly (including some 16" dogs in both groups), and the efforts to keep the center aisle less congested and clear during the competition.

We would like to applaud the 2019 DACOF winners!

(ALL the 2019 DACOF Scores and Results have been posted to our web page, dacof.com at the "History" tab, "Winners/Results" drop down and on the DACOF Facebook "Files" section.)
